'Experience Excellence in Christian Education at Cornerstone Christian School'

This year we celebrate twenty-five years in Christian education here at the "Home of the Eagles". We are proud to declare that CCS continues to be a forerunner in the Christian education field where daily we honor and glorify our Lord for His continued blessings upon our school ministry.

There is an old time hymn called "***Count Your Blessings***" which delivers such a powerful chorus that goes like this:

Count your blessings... Name them one by one
Count your blessings... See what God hath done
Count your blessings... Name them one by one
Count your many blessings... See what God hath done

Here at CCS, our blessings are just so plentiful one could say they overflow in abundance; however, stated below are listed just a few. And as always ... we give God all the honor and all the glory.

-  Daily we develop in students the heart of worship to God through prayer, Bible reading, and singing. At CCS, we count our blessings for our school is grounded in prayer and God's word.
-  We have designed and implemented a curriculum which exceeds state regulations, and, of course, threaded with strong Christian values. In addition, we have remained on the cutting edge of technology, guiding all students to a more in-depth knowledge of the computer and all its components. We are blessed with diligent and hard working students who daily strive to work to their fullest potential.
-  We model love for Christ beyond the school day and school walls. At CCS, we count our blessings because our students are involved in community outreaches organized by our Student Council students. Our middle school students are required to meet a certain number of community outreach hours per marking period and many serve over the required time.
-  Hugs, smiles, high-fives, birthday cupcakes, shared show n' tells, handmade gifts, colorful comments, a shared potato chip at lunch time, a game of four score on the black top and studying for a science test are just a few things that make up the components of a student. At CCS, we count our blessings for each student. ***Jesus once said, "Let the little children come unto me..."*** Here at CCS, the little children are a true blessing of God.
-  Dino the Dinosaur and our new piece of playground equipment are a welcomed excitement for our students who daily find delight in jumping, sliding, and crawling on the equipment. At CCS, we count our blessings for our dedicated parents who raise and donate funds to assist CCS in school wide projects to keep Cornerstone equipped in all areas.
-  Christian teaching extends beyond the classroom because the more informal atmosphere of extra-curricular instruction helps students follow a Christian adult role model. At CCS, we count our blessings to have the opportunity to instill in students athletic skills, the fundamentals of various sports, but most of all, the fundamentals of Christian sportsmanship. We are the Eagles! We are proud to be the CCS Eagles!
-  For 25 years, this educational institution has been an extended family to presently enrolled students, former students, parents, grandparents, faculty and staff, and church members. At CCS, we are the family of God to all who enter our doors. May each life who enters through our doors be blessed.

"Count your many blessings .. Name them one by one"
