CAMP EAGLE STONE BLENDING SUMMER ENRICHMENT WITH ACTIVITIES AND ADVENTURE (Age Appropriate)

"Blast Off" with Summer Science - Explore science through "Hands-on" science projects and demonstrations. Summer science will surely be a "blast" for our campers this summer!

Math Enrichment - Throughout the summer months, campers will "sharpen" and reinforce their math skills. Math logic, attention grabbing math games, and other skills will keep our campers fresh in math facts.

Camp-Read-A-Lot - Our mission is to inspire a love for reading. A variety of books and tools will introduce, strengthen, and enhance comprehension skills.

The "Write" Way - Tap into the natural author in your camper! This program uses effective writing techniques that motivate and challenge.

Sport Instruction - Indoor basketball, hockey, soccer, and other co-ed games will keep the campers physically active at Camp Eagle Stone.

Daily Bible Club - Daily Bible lessons will be presented through creative and age appropriate instruction.

Arts and Crafts - Campers will enjoy creating a variety of art projects that have practical and decorative use. Wood projects, thematic crafts, painting and other art skills will "color" our campers this summer.

Outside Recreation - Campers will enjoy sliding down "Dino" our friendly dinosaur slide. Additional fun outdoor activities are available on our camp grounds.
