

National TV Turnoff Week

Books, the Other Channel

Last year, we participated in National TV Turn-Off week and many of our students and their families participated. This school year, our student body and their families are encouraged to, once again, participate in turning off the TV from April 21st - 27th in honor of National Turn Off the TV Week.

In order to qualify for the various incentives, students who participate in tuning out may not substitute watching DVDs, videos, or playing video games on the TV or hand held video games. Instead, enjoy the spring weather with an outside activity, play a family board game, or read a book checked out from Bus 31.

Incentives offered:

1 Day - Pencil

2 Days - Folder

3 Days - 1 Prize from the Principal's treasure chest

4 Days - 2 Prizes from the Principal's treasure chest

5 Days - 3 Prizes from the Principal's treasure chest

6 Days - 4 Prizes from the Principal's treasure chest

7 Days (All Week) - A Dress Down Day Coupon, Lunch with the Principal, a certificate ribbon, and acknowledgement at the end of the year awards ceremony
